Professional Summary

Software Developer with hands-on experience in building scalable web applications using React, Node.js, Express, TypeScript and MongoDB. Strong foundation in REST APIs, authentication, database design, and frontend performance optimization.

Technical Skills

Frontend:	HTML5, CSS3, JavaScript (ES6+), React.js, TypeScript
Backend:	Node.js, Express.js, Next.js
Databases:	MongoDB, MySQL
Cloud:	AWS, GCP
Tools:	Git, GitHub, VS Code

Experience

Software Developer Intern – Goklyn

Jun 2025 – Aug 2025

2-Month Internship — MERN Stack

- Contributed to the development of a production-grade internal management portal using React, Node.js, Express, and MongoDB.
- Designed and implemented RESTful APIs for managing company news, image galleries, and announcements.

Projects

LLM Output Verification

Tech Stack: TypeScript, Streamlit, JavaScript, CSS

- Engineered a multi-LLM verification pipeline to detect hallucinations and inconsistencies in generated outputs.
- Leveraged real-time web data retrieval and semantic validation to cross-check responses.
- Delivered a production-ready UI using Streamlit for rapid testing and validation workflows.

Internal Management Portal – Goklyn

Tech Stack: React.js, Node.js, Express.js, MongoDB

- Developed a production-grade internal management portal to manage company news, announcements, and media content.
- Implemented role-based access control (RBAC) to restrict access and protect sensitive organizational data.
- Ensured modular and maintainable code structure for scalability and long-term system reliability.

Mindly – Mock Interview & Skill Guidance Platform

Tech Stack: React.js, Node.js, Express.js, PostgreSQL, LLM APIs

- Built an AI-powered coaching platform for interview preparation.
- Integrated LLM APIs to generate dynamic interview questions, evaluate responses, and deliver real-time feedback.
- Enhanced user engagement through real-time conversational interfaces and dynamic content generation.

Education

Bachelor's Degree in Computer Science (CGPA: 8.5)

Rajasthan Technical University

2022 – 2026
